In consideration of services rendered by the doctors of ISLAND SURGICAL AND VASCULAR GROUP, P.C. to the patient, the undersigned agrees to the following:

The Patient and/or Guarantor/Subscriber are responsible to forward any insurance checks that they may receive for services rendered by the Physicians of Island Surgical and Vascular Group, P.C. as soon as they are received. \_\_\_\_\_

It is the patient's responsibility to provide our office with all insurance information and to supply insurance cards and forms. \_\_\_\_\_

Payment and/or co-payments are expected at the time of service. \_\_\_\_\_

If a referral is required, it is the patient's responsibility to obtain a valid referral. If referrals are not obtained the patient is responsible to make arrangements with our office prior to services being rendered. \_\_\_\_\_

If a patient is covered by an insurance plan that the doctor participates in, the patient is responsible for any yearly deductible, co-payment, coinsurance or other charges required to be paid by their health insurance coverage. \_\_\_\_\_

Please note that some procedures may be considered cosmetic by you insurance carrier. If you elect to have these procedures performed you will be responsible for full payment of such services. \_\_\_\_\_

You may receive an account statement every month until your account balance is settled; even though forms are filed and payment is anticipated from your insurance carrier. \_\_\_\_\_

Our office will offer a payment schedule for any balance not covered by your insurance carrier or any non-covered service. \_\_\_\_\_

Please note that if any account balance is greater than 90 days, the account may be reviewed for collection. You will be responsible for any and all collection fees including attorney fees, court fees, and interest required to collect payment on the account. \_\_\_\_\_

Good Samaritan Hospital, St. Catherine's Hospital & Long Island Community Hospital (formerly Brookhaven Hospital) all require an Assistant Surgeon for all major surgical procedures. The Assistant Surgeon will send you a separate bill and will require a separate insurance form. The Assistant Surgeon may not always be a physician from Island Surgical and Vascular Group, P.C. \_\_\_\_\_
